

a **township** that'll be the talk-of-the-town.

HIGH TECH FEATURES is what makes OASIS, a huge niche 75+ acre township of plots, stand out from the

rest. This township's next level of living has been inspired by the best around the world. Brought to you by the AARONE GROUP, the co-developer of the iconic SELECT CITYWALK MALL in New Delhi & COUNTYWALK in Indore, this township spells class, elegance & luxury. Though being high tech, it is very close to nature. This township has a vast green area and plenty of open space for free flow of natural elements, making it a very alluring township to live in.

Oasis offers plots from
2,800 sq.ft. to 16,000 sq.ft.

A high class entry to a high tech life.

high tech features that will get you many 'likes'. | 

Making high tech

THE LATEST TECHNOLOGY AUTOMIZED ENTRY & EXIT SYSTEM.

Oasis has a sensor-enabled special bar-code system for township cars that allows for hassle-free and automatic 'smooth-flow entry & exit' for township residents. This also serves as add on security, as there will be restricted movement for unauthorized vehicles which will then be checked by security personnel.

work for you!

WI-FI COMMUNITY ZONES.

Oasis has many wi-fi zones where one can have convenient and hassle-free access to internet facilities.

ULTRA MODERN ECO-FRIENDLY DRIP TRIP TECHNOLOGY.

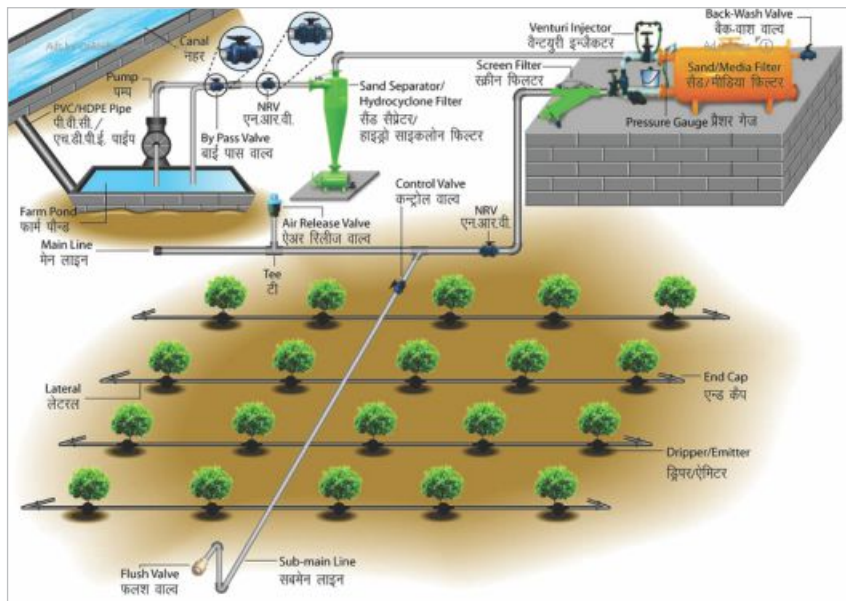

Oasis has 'human-independent' Drip Trip Irrigation Systems that automatically identify different plants and trees and water them accordingly. This is not only ideal for proper growth and flowering, thus maintaining its beauty, but also prevents wastage of water.

RAINWATER HARVESTING, WATER RECYCLING AND WATER RECHARGING FACILITIES.

In keeping with the Oasis philosophy of using the latest systems both for convenient living as well as environmental benefits, the township has many other water conservation methods in use apart from Drip Trip Technology.

Drip Irrigation System*

And making high tech work

A person in silhouette stands in the center, holding a globe with both hands. A shower of bright green particles, resembling water or a digital rain, falls from above, creating a dense, sparkling atmosphere. The background is a dark, textured green with many small, glowing spots.

for the planet too!

Savings,

NEXT GENERATION AUTOMATIC LIGHTING SYSTEMS, DEFINED NAVIGATION & HIGH TECH SIGNAGES.

Oasis has Defined Navigation and High Tech Signages for convenient and hassle free direction-finding. For example, a mix of lighting systems are used, all making use of the very latest technologies. For dual Day & Night use there are **Solar Panels, Timer Controlled & Sensor Based lighting and LEDs**. For instance, when anyone walks by a lighting system at night, it automatically lights up, and in human-absence it switches off automatically. **These systems save energy, minimize running costs and are ecologically friendly too.**

safety and sensitivity!

FUTURISTIC COMPUTER CONTROLLED SECURITY SYSTEMS.

Oasis has camcoded security systems with 'walky-talky' apart from Hooter alarm and ping-to-call points for emergency alerts. This will ensure minute observations, instant analysis and quick responses. These high tech security is double-backed by round-the-clock trained security personnel too.

leisure and fun

activities you'll love to share.

AN INCREDIBLY MASSIVE 6 ACRE* CLUBHOUSE.

Oasis is home to a super speciality, ultra modern clubhouse that's spread over 6 acres of massive landscape complete with a grand entry from a drop-off circle. What's more, the clubhouse also boasts of a magnificent artificial shallow lake! That it is designed to international standards will be an understatement of sorts. To be seen to be believed, it has everything from an Olympic sized swimming pool with supervised children's splash pool to a host of outdoor and indoor indulgences.

*The club area includes lawn, parking & communication area.

Truly Club class!

Because sports

OASIS CLUBHOUSE: THE SPORTS & RECREATION PART.

The Oasis Clubhouse is also the place to be fit, to enjoy a bit of peace and to rejuvenate. A host of facilities and features that match international standards make it the ideal place to head out to when the pace of life needs to be slowed down.

is the new way of life!

other fabulous features,

that you will eagerly pinterest.

Leisure, fun and

EXCITING THEME PARKS, OPEN LUSH GREEN PARKS AND WALKING TRACKS.

Oasis has a variety of theme parks that can be enjoyed not just by children but people of all ages. Apart from these, the lush green ambience is ideal for anyone wanting to jog, go for a stroll or just relax amidst nature.

convenience !

**ECO-FRIENDLY INTERNAL CAMPUS
TRANSPORT.**

Oasis has a luxurious travelator service via shuttle trams for local commuting within the township.

This includes a convenient pick-and-drop service for guests. This service is not only convenient for guests and residents alike but ensures zero vehicular chaos or traffic jam like situations. The travelators being electricity driven mean that the to and fro transport activity will be non polluting.

VALET PARKING.

Oasis also has valet parking for residents and visitors to the township ensuring hassle free and convenient parking.

EXTRAVAGANT ARTIFICIAL LAKE WITH THEMATIC FOUNTAINS.

Oasis offers something very grand and magical too in the form of an artificial lake with a fountain stretch and seating areas! Situated in the clubhouse, this is a fantastic visual treat and these wondrous displays not only enthrall but also provide serene and beautiful surroundings. They are also ideal spots for maybe an evening walkabout with family and friends and so on. Residents will undoubtedly be proud to show around guests and visitors.

FACILITY MANAGEMENT SERVICE.

Oasis has FMS (Facility Management Service) in place for general upkeep of the township as well as individual blocks. This includes the very convenient '**SERVICE-ON-CALL**' that provides **PLUMBER SERVICES, ELECTRICIAN SERVICES, FACADE & DEEP CLEANING SERVICES** and so on. These services will be a boon specially for the ladies of the house when their menfolk are away at work, saving time and making the entire process hassle free. Adding to all these are features like the **TOWNSHIP'S PERSONAL TAXI STAND, UTILITIES SUPPLY STORE AND 24 X 7 ATTENDANTS**...all set to pamper your lifestyle beyond just living.
